## HOW TO GET STARTED WITH SATSOL'S DATA GARDEN

The SATSOL Data Garden at Numbu is only for data.  
Available for Android phones only (iPhone version coming soon).

For voice calls please use your Telekom/Bmobile SIM or an app such as Messenger or WhatsApp.

### COMISTEP 1. INSTALLING THE SATSOL SIM CARD

Purchase a SIM card from the Numbu CHS canteen, or other canteens.

1. Insert the SIM card
2. If you have a **dual SIM phone**: in Settings select the SATSOL SIM for data. Select your Telekom SIM for voice and text.
3. Add the **Access Point Name** to the phone settings (see below)
4. **Turn on mobile data** and check Internet connectivity. You receive 500MB free data, to help you get started.

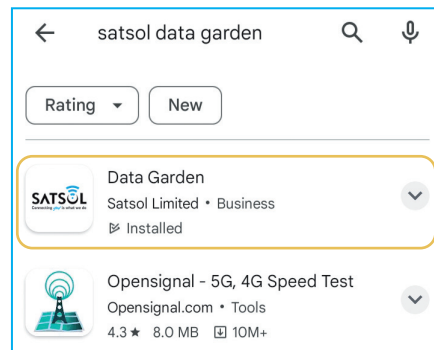

5. Note the phone number and password on the rear of the card.

*Note: To add the Access Point Name go to phone settings and search for mobile networks, select SATSOL network, Advanced settings, and add a new APN named SATSOL with "internet" in the APN field.*

### STEP 2. INSTALLING THE SATSOL APP

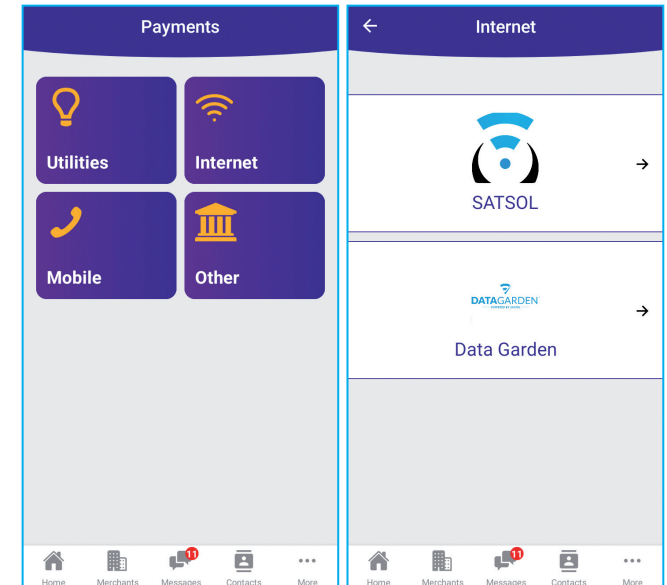

To buy data, use the SATSOL Data Garden app.  
This is where you choose the plan you want (e.g., 1GB, 3GB)

1. Open Google Play
2. Search for the "SATSOL Data Garden"
3. Download and install

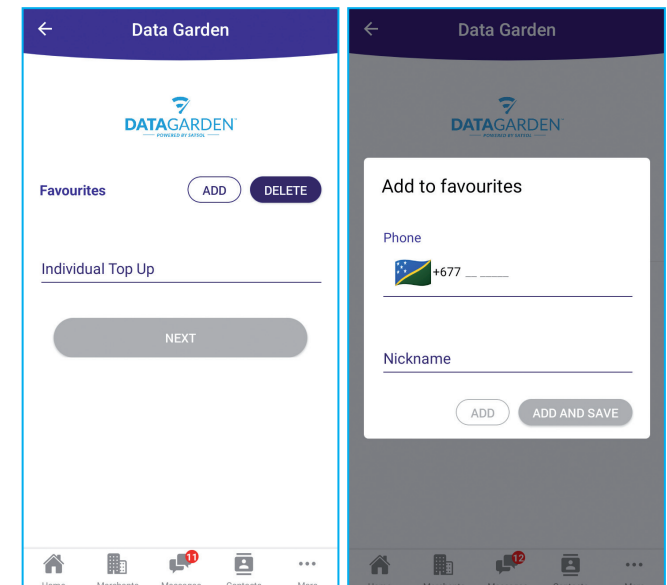

### STEP 7. PURCHASE A TOP-UP VIA IUMICASH

1. Go to the Pay page in the iumiCash app and select "Internet"
2. Select "Data Garden"

3. To add your SIM card number to top up, select "Add"
4. Enter your SIM card phone number
5. Nickname: type any nickname and "Add and Save" the number

## STEP 6. HOW TO GET IUMICASH

iumiCash is one of Solomon Islands' approved e-wallet services. The head office is situated at Point Cruz, Honiara. Your local agent is Numbu CHS canteen. Go there to change cash into iumiCash at no cost (no commission).

- ✓ Download and install the iumiCash app and sign up.
- ✓ Once you have signed up, you can get iumiCash at any agent (including Numbu CHS canteen).
- ✓ Use the iumiCash to top up your SATSOL SIM card and buy data!

### Instructions to download the iumiCash app\* and sign up

1. Check Internet access
2. Open Google Play Store
3. Search for iumiCash
4. Download the app and install
5. Follow the instructions to Sign Up. The Numbu Data Garden volunteers will assist you
6. To verify your account, see your local agent (Numbu CHS canteen) or visit the iumiCash office in Point Cruz and show an ID. You can still use the app without verification but with some restrictions.

\* Instructions for Android phones given here. Also available for iPhones.

\*\* Country restrictions apply, so you must have Solomon Islands as your Play Store country setting or you will not be able to download the app.

## STEP 3. REGISTER THE SIM WITH THE SATSOL APP

The first time you run the SATSOL Data Garden app, it will ask you to register the phone number and password

1. Check Internet access
2. Open Data Garden app
3. Select Solomon Islands
4. Enter the phone number
5. Enter 0000 as password
6. Sign in
7. The app will confirm and move to the next step.

Two screenshots of the SATSOL app's login screen. The first screenshot shows the 'Login' screen with a 'Phone number' field containing a dropdown menu with options for Papua New Guinea (+675), Solomon Islands (+677), Vanuatu (+678), and Samoa (+685). The second screenshot shows the 'Login' screen with the phone number field filled with '+677 6901546' and the password field filled with '0000'. Yellow callouts point to the phone number and password fields with the text 'Phone number' and 'Password: 0000' respectively. Both screens have a blue 'Sign in' button at the bottom.

## STEP 4. REGISTER YOUR DETAILS WITH THE SATSOL APP

The first time you run the SATSOL Data Garden app, it will ask you to accept terms and register your details.

Accept the terms and conditions, enter an email address and an alternative phone number and confirm. You can use the email address in your phone. Ask someone for assistance if you need help finding your email address.

This is only necessary once. From then on you will not need to log in to the app.

### Terms and Conditions

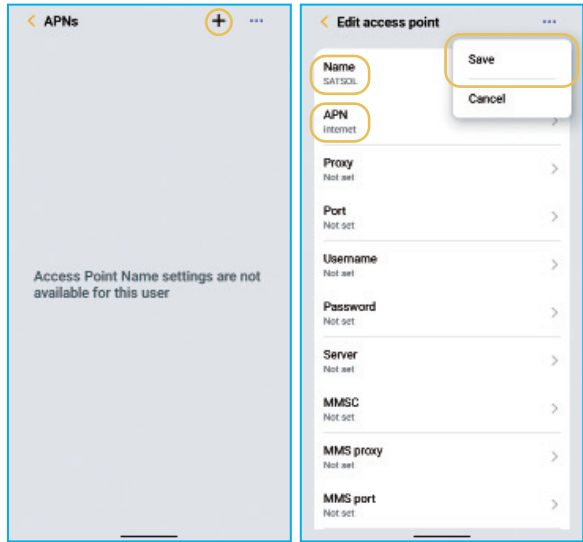

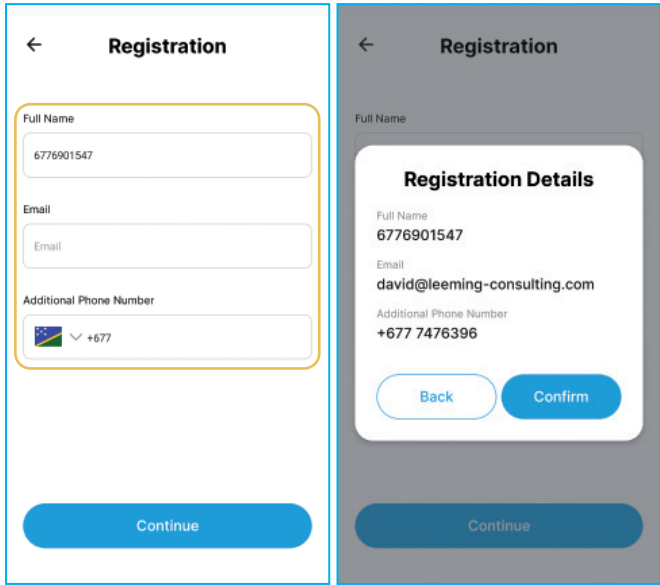

These Terms and Conditions govern your use of the SATSOL Mobile Application available on the Google Play Market. By downloading and using this application, you agree to be bound by these Terms and Conditions.

#### Use of the Application

The SATSOL Mobile Application allows you to top-up your mobile data balance using our agents or iumiCash account. You must be the registered SATSOL user or/and authorized user of iumiCash account used to make any top-up transactions.

### STEP 5. BUY A PLAN

**Note:** To add the Access Point Name go to phone settings and search for mobile networks, select SATSOL network, Advanced settings, and add a new APN named SATSOL with "internet" in the APN field.

To buy a plan, you must have credit. SATSOL top-up is available from the iumiCash app.

See Step 6 to install the iumiCash app and Step 7 to buy top-up with iumiCash.

The Home screen shows your balance of credit and data

Select your plan in the Buy Data screen

If you have insufficient credit, the app will send you to the iumiCash app
